    b. Those who have passed can still be listed. You can note this rather than giving an age.

23. Once you have completed the application click "Submit." Make a note of the application number that shows at the end.

Next Steps:
You should receive an email that your application was received. You will also receive an email when your clearance is ready to access online. If you requested to receive a paper copy in the mail, that should arrive within 2 or 3 weeks, as long as the information you provided was accurate to the best of your knowledge and complete to the satisfaction of ChildLine.

If your application resulted in a letter requesting missing information, you may respond to this either by writing the information on the letter and mailing it back to ChildLine (address at the end of the letter), or you may call the ChildLine Verifications Unit using the phone number on the letter to provide the missing information.
